Plainfield South High School Junior,

The SAT has become a rite of passage for juniors. In fact, because of the pivotal role this test plays in college admission, Illinois will be underwriting the cost of the SAT for every student in the Class of 2019. To prepare its junior class, Plainfield South has invited ExcelEdge to offer **SAT 1600**. With a 30-year track record of success, we at ExcelEdge have prepared more than 150,000 juniors for their college exams, and we look forward to giving Plainfield South juniors the competitive edge on the SAT.

**Our curriculum, our strategies and our instructors make the difference.** A leader in Midwest test preparation since 1987, we at ExcelEdge have meticulously monitored the College Board SAT to make sure students receive a highly-specialized program tailored to the test. You can count on experienced instructors who are certified content specialists to teach you point-producing offensive and defensive strategies to navigate difficult items. We will show you exactly what to expect on the SAT. We will teach you how to eliminate choices, how to answer items quickly, and how to maximize your score. We will teach you how to think like the test maker. To see what our schools, our parents, and the graduates of our program have said, please visit our website: [www.exceledgeinc.com](http://www.exceledgeinc.com).

**Timing is everything.** We have impeccably scheduled **SAT 1600** to wrap up just before the April 10, SAT exam. By spring, students will have mastered junior curriculum, which the exam targets. Students may enroll in our eight-week test preparation program on Monday evenings from 6:00 to 8:00 or Saturday mornings from 10:00 to noon at Plainfield South. Alternate options are available at neighboring Plainfield campuses. Please visit the ExcelEdge website for details.
