

Test Prep Workshops

SAT Prep Workshop (LLC 5209)

This workshop provides an overview of the new SAT test and recommends success strategies for teens. Students take a pre-and post-assessment test that addresses the subjects Reading, Writing and English, and Math. Strategies for the SAT Essay will also be covered. Included in the class materials are two complete practice tests, review sections, and test-taking strategies. Text book and other class materials are included in the class fee. Students must bring a calculator and #2 pencil to class.
