

Career Exploration for Business Majors

DATE: Wednesday, April 4, 2018

LOCATION: Joliet Junior College

TIME: 8:30Am – 1:15PM

Many students plan on majoring in “**BUSINESS**”, which can be a very marketable degree. Whether the student wants to major in marketing, finance, human resources, logistics or accounting. **Joliet Junior College’s Business Department** faculty have organized an event for high school students to learn more about *majoring* in business.

The event will begin at approximately 9AM with a short general session for all students. Students then will **choose 2** sessions to attend from the following:

- Accounting – the Illinois CPA Society will be presenting
- Marketing
- Hospitality Management
- Entrepreneurship
- Resumes and Interviewing
- Transferring to an University

The 3rd session will consist of a student panel of Business Majors at Joliet Junior College and will share their experiences. This session according to previous session evaluations has been a favorite of those in attendance.

Students will have the opportunity to learn about skills required in specific business fields, the types of college courses required for an Associate’s Degree and/or a Bachelor’s Degree. Lunch will be provided. **Registration is limited to the first 100 students.**
