NOVEMBER 20th

AT 10 PM

School Announcement

Attention all lovers of science, engineering, and discovery! This year is Plainfield School District's first annual Science Fair! The competition will include all four high schools. You will be competing for the travelling trophy, awarded to the top school, and individual awards! In addition, you will be nominating your teachers as judges! You have the power to create anything demonstrating any scientific principle. You and your team of up to 4 do NOT need to know exactly what your project will be right now! The competition will be at Plainfield North on Saturday, January 26th, from 7 am to 12 pm. Sign up by November 20th at www.sites.google.com/view/plainfieldsciencefair (read again slowly), or contact plainfieldsciencefair@gmail.com with questions.
