

Established in 2014, the **PSHS Choir Boosters** support our choir director in anyway so they can concentrate on teaching and mentoring our children. During past years we have funded new speakers and mics, paid for buses for field trips, provided snacks and water for the bus ride on tours (We have gone to Nashville, Disney and New York City). We participated in the Homecoming Parade in 2019 and came in first place!! As well, we hope to continue offering a scholarship for a senior toward their post high school education. In 2018 and 2019 we were able to budget for 2 scholarships of \$500.00 each year.

The support of parent volunteers and local merchants allows us to sponsor fun, social, fund-raising activities that foster a sense of pride and involvement in our school.

With your **PSHS Choir Booster** membership you will enjoy benefits of pre-sale tickets for the Madrigal Dinner, and the ever popular Collage (Holiday ensemble with band)

As a member your vote counts; you are able to vote on important items within the organization.

Please join us September 4th at 7:30PM in the Choir room for our first meeting of 2019/2020.
