

**Little Cougar Preschool, Spring 2020**  
**Presented by the Advanced Child Development class**  
**Plainfield South High School**

### ***About the preschool***

Plainfield South High School's Little Cougar Preschool is designed for three to five year-old children. The purpose of the program is to aid in the preparation and transition into kindergarten by fostering self-esteem and self-expression through organized educational activities selected to meet the physical, social, emotional, and intellectual needs of preschool children.

### ***Operation***

The preschool runs twelve weeks, February 4<sup>th</sup> through April 30<sup>th</sup>, three days a week, every Tuesday, Wednesday and Thursday (with one week off in the middle for Spring Break). The drop off time is at **12:20 pm** and pick up is at **2 pm**. The established cost for the semester is \$80 (payable to PSHS Little Cougars). The fee includes snacks, arts and crafts materials, t-shirt and teaching resources.

### ***The Program***

The daily preschool schedule consists of learning centers based on the preschool teaching objectives, story time, large and small muscle activities, circle time, music, art, snack, and free play. Activities are chosen related to a certain weekly theme. Each class is planned and prepared by the high school student teachers and is discussed with the instructor ahead of time.

### ***Bathroom Policies***

Preschoolers are all expected to be fully toilet trained. Also, if possible please have your child go to the bathroom before coming to preschool each day to avoid frequent bathroom breaks. If needed, we do have a bathroom located across the hall from our classroom. If your child needs to use the bathroom, they will be escorted by our Advanced Child Development students. The preschooler will then enter the stall privately and a student will help them wash and dry their hands after.

### ***Drop-Off***

A few Advanced Child Development students will meet you every day at the main entrance "A" by 12:20 pm. They will escort your children down to room 125. If you would like to walk with your child to the room, you will need to bring an ID and sign in at the main office. Please note - if your child will be absent please notify me via email. ([dcaparul@psd202.org](mailto:dcaparul@psd202.org))

### ***Pick-Up***

Students will also escort your children back to the main entrance "A" at 2 pm each day. Families will be given a set of two "pick-up tags" with the child's name on them. You must either present your pick-up tag or a photo ID when picking up your child. My Advanced Child Development students will not be able to recognize all parents so this is an essential step to help ensure your child's safety. Children will only be released to individuals with a photo ID listed on their registration form. Please contact me if this information needs to be updated on your form.

### ***Policies and Procedures***

- Current medical forms (physical forms) must be submitted **before the application is considered complete**. Forms may be mailed, emailed, or faxed; contact information is listed at the end of this document
