

SAT PREP WORKSHOP

NEW WORKSHOPS ADDED! REGISTER NOW!!

PSHS is offering **additional** weekend and weeknight workshops to help you prepare for the SAT! These workshops will cover **new tests not previously used in Workshops 1 and 2**. There will be three different workshops for English and three different workshops for Math. Workshops will be available on a weekend date (2 different workshops on the same Saturday) and on a weeknight date, so you have multiple options to choose from that tailor to your schedule! These workshops will focus primarily on test practice and review, which may still benefit those already taking other test prep courses.
