Suggestions & Tips

THINK

Be Positive

**Check grades weekly through the Home Access Center on the PSHS website. Log in with Student ID & password for computer.**

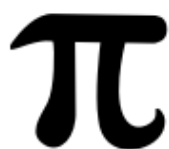

**Use Flash cards to memorize terms. Quizlet (app) can be used for flash cards.**

**Talk to your teachers and let them know you need help! Make appointments before/after school with them.**

**Science: Use Khan Academy.**

**Google questions for math & watch videos.**

**Use study guides when reading and studying.**

**Math: Sign up for Khan Academy & Virtual Nerd.**

**Annotate while reading, it gives the brain something to do to remember what is in the book.**

**Social Studies: Take notes in class. "Cornell notes" style is suggested.**

**Foreign Language Tutoring every Tuesday & Thursday after school. See your teacher for locations.**

**Social Studies: Do quiz and test corrections if allowed by teachers.**

**Practice translating in your head when communicating. Have conversations with classmates. Use [wordreference.com](http://wordreference.com) if needed.**
