

Plainfield South Prom 2021

Theme: "Around the World"

Friday, April 30th - 4-8pm @ Plainfield South High School

PSHS Prom 2021 will be a free event this year. All students will have to self-certify before entering the event, masks will be required, and all CDC guidelines will be followed.

This year's prom is for current Plainfield South High School seniors only. No students from other classes or other schools will be allowed.

We want to provide our students with an opportunity to take both professional pictures and take advantage of some photo ops and selfie stations that will be set up. There will be a live DJ playing music in the gym and it will be streamed to the field house. Students will spend a total of one hour in the school building, and then exit through the main entrance on the red carpet where we will have more photo opportunities for parents to take pictures.

Beginning April 7th, students will be able to sign up for a one-hour time slot. The time slots will be every half an hour starting at 4:00pm and ending at 8:00pm. Groups of 40 students will be allowed to sign up for each time slot. Students will need to sign up by April 28th, 2021.
