Your signature indicates you have read and understand the information about the **Advantage After School Program-Credit Recovery**. You may contact your child's counselor if you have questions or need additional information.

- The purpose of the **Advantage After School Program** is for students to **recover** high school credits. Students can make up credits to stay on track for graduation. Each core class is offered by semester.
- The Advantage Program uses **Edgenuity** which is a computer based program. All courses meet the rigor of common core, state standards as well as our graduation requirements. Each student is given an individualized calendar, target goals, and assignments.
- You will receive login information to monitor your child's progress and attendance.
- Upon successful completion of the Edgenuity online class, your child will receive a PASS grade and earn 0.5 credit. The previously failed class will remain on the high school transcript, but will no longer be calculated in the cumulative GPA. The new PASS grade WILL NOT be calculated into the cumulative GPA, but will satisfy the course requirement for graduation.
- Edgenuity's online classes are **NOT approved by the NCAA Clearinghouse**. If your child is considering participating in college level athletics, he/she should retake the traditional class, rather than the online Edgenuity class.
- Consistent attendance and active participation are necessary for your child to successfully complete the enrolled class. In order to complete the Edgenuity class and earn credit by the end of the program, it will be necessary for your child to spend additional time working on coursework independently at home. Students who are not making adequate progress in their coursework may be dropped from the course at the discretion of the program instructor and will receive a FAIL grade on their high school transcript.
- **Attendance is mandatory.** Students are required to attend two classes per week IN PERSON on Tuesday and Thursday (2:15-3:15) from September 7, 2021 till December 7, 2021. A student that is absent more than three (3) days from Advantage Afterschool will be dropped **without a refund**.

I have read and understand the information about the Advantage Program and the online Edgenuity class. I agree with my child's placement in this class.
