

## ADVANTAGE AFTER SCHOOL PROGRAM Credit Recovery

Dear Parent/Guardian,

The **Advantage After School Program- Credit Recovery** offers students the opportunity to recover credit through online learning. Edgenuity, which is a computer-based program, will be used in the Advantage Afterschool Program. Edgenuity courses meet the rigor of common core and state standards. This program is designed to provide an opportunity for students that are unable to enroll in summer school and could benefit from taking an additional class outside of the school day. **Classes will be held IN PERSON on Tuesday and Thursday from 2:15-3:15 from September 7, 2021 - December 7, 2021.** Students must attend two days/week. A staff member will supervise and support students. Students should expect to spend time outside of class on coursework. Based on the specific required class your child has failed, it is recommended that he/she enroll in the following course:

---

\*Edgenuity's online classes are **NOT approved by the NCAA Clearinghouse**. If your child is considering participating in college level athletics, he/she should not take online Edgenuity classes.

Placement in the Advantage After School Program is based on space available and is on a first come/first served basis. Complete the attached forms, include \$190 payment, and return to Student Services. Please contact your child's counselor if you need additional information.

Sincerely,

The PSHS Advantage Team
